

CONVERGENCE SUMMIT

WELCOME

At the Rowen Foundation, we believe solutions are found at the intersections. The annual Convergence Summit brings thought leaders and innovators together to share diverse perspectives and lead discussions around how we can collaborate, take on global challenges, and achieve a more prosperous future. We are happy you are here with us today.

2024 Speakers

JOHN K. COYLE
INTERNATIONAL DESIGN THINKING
AUTHOR AND SPEAKER

Coyle has become a well known speaker and author, especially in design thinking, innovation and leadership. He has blended his background in athletics — particularly as an Olympic speed skater — with insights into human potential and performance.

DR. JAIME WONG
INTUITIVE | SENIOR VICE PRESIDENT
AND SENIOR MEDICAL OFFICER

As SVP and SMO, Dr. Jaime Wong, MD, MBA, FACHE, FACS, leads the medical safety and innovation organization at Intuitive, the pioneer of robotic-assisted surgery and a global leader in minimally invasive care.

STEFAN CASPARI
AGCO | SENIOR VICE PRESIDENT,
CUSTOMER SUCCESS AND
BUSINESS EFFECTIVENESS

Caspary is responsible for making farmers successful by ensuring AGCO's brands deliver the best end-to-end customer experiences worldwide. He will join Rowen CEO Mason Ailstock in conversation regarding innovation in agriculture and the impact this new technology will have on our natural world and personal health.

MASON AILSTOCK
ROWEN FOUNDATION | PRESIDENT
AND CHIEF EXECUTIVE OFFICER

Ailstock is a recognized leader in innovation districts and anchor-driven developments with nearly 20 years of experience working with non-profit institutions, governments and industry. As President and CEO of the Rowen Foundation, he is responsible for project leadership, operations, and ensuring the long-term vision for Rowen is never compromised.
