

ROWEN™

GEORGIA'S LARGEST KNOWLEDGE COMMUNITY

What is Rowen?

**PEOPLE +
IDEAS +
INSPIRATION**

Rowen is a **reimagination** of the traditional mixed-use office environment that aims to advance **agriculture, medicine, and the environment** — and their enabling technologies — and is **changing the economic and social trajectory** of Georgia, the nation, and, with time, the world.

Rowen is creating the **ideal location** that **drives innovation** fostered by research facilities, public spaces and amenities for those that aspire to **grow and collaborate** with the talent of tomorrow.

PLACE

THE ROWEN FOUNDATION CHARITABLE TRUST

The cornerstone of the Rowen Foundation is to drive advancements and innovation within the intersections of agriculture, medicine, and the environment to provide a healthier, more sustainable future for generations to come. To support the science and research needed to achieve this mission, Rowen is committed to leading charitable efforts that encourage growth for the people, ideas, and inspiration within our communities.

FINANCIAL SUPPORT + SCHOLARSHIPS

Providing research and educational scholarships, and partnering in grants and fellowship applications

COLLABORATION + EVENTS

Hosting and sponsorship of conferences, seminars and events to promote shared knowledge

FUNDRAISING SUPPORT

Assistance in fundraising and identifying investors and sponsors for research, events, and more

Rowen's mission is to be a catalyst for education, research, innovation and transformation through the creation of a global destination which recognizes stewardship of the land as the cornerstone of an inspired community.
